**Contains:** Filtered Water, Natural Flavors, Citric Acid, Sodium Hexametaphosphate (To Protect Flavor), Phosphoric Acid, Sodium Benzoate (Preserves Freshness), Sodium Citrate, Sucralose (Splenda® Brand), Calcium Disodium EDTA (To Protect Flavor).

Note: This information applies only to bottled and canned products and not to products served from fountain dispensers. Not all products are available in all markets. All information in these tables reflects rounding as required by the Food & Drug Administration (21 CFR 101.9.) This may produce occasional irregularities in some values when comparing information for different serving sizes.
